GET STARTED

Door replacement options — unfolding new possibilities for indoor/outdoor living

Replacing your old patio doors shouldn't be difficult or stressful. Infinity from Marvin focuses on streamlining your door replacement experience from start to finish — all to help you find the perfect new folding, sliding, or swinging patio door for your home. Because some decisions should only be made once.

BI-FOLD

Full-frame replacement

All doors are installed with full-frame replacements, which requires taking out the existing frame and trim. This door installation method offers the possibility of replacing your existing door with an entirely new style or larger door. With our sizing flexibility, Infinity custom doors fit nearly any size opening in your home. Your local Infinity partner will help you determine the best solution for your home.

Sliding French Door

Features

- Carefully designed to offer the traditional wider profile of a classic French door
- Space-saving sliding operation won't interfere with your home's furniture or décor
- Customizable in 2, 3 or 4 panel configurations up to 16-feet wide for panoramic views
- Multi-point locking system for a sense of security
- Top-hung screen glides easily
- Optional footbolt provides additional peace-of-mind
- Engineered to keep the outdoors out and perform at light commercial performance grade ratings that exceed residential requirements

Infinity Sliding French Door in stained EverWood® interior finish with Oil Rubbed Bronze Cambridge hardware and a Bronze sill.

Configurations¹

TOP-HUNG SCREEN

FOOTBOLT

Designed to perform

Our top-hung screen won't get hung up on dirt or debris in the sill track.

A footbolt provides additional security when the door is locked or vented.
